# General Information

## Why Join? - Membership Benefits:

- ATA advertise you as a preferred professional.
- Recognition that you are a specialist in your field.
- Giving the consumer the ability to view the qualifications that members hold by accessing ATA's on-line search registry.
- Training and education to a satisfactory benchmark level of competence.
- Risk reduced report-writing structures.
- Lower professional indemnity insurance premiums.
- Increased ability for a greater earning capacity through exposure on the ATA search registry.
- Discounted cutting edge training, accreditation and future Diplomas.
- Networking with preferred professionals under one representative organization at a State and National level.
- Supporting members in all aspects of their business phase.
- Staff training to ensure reduced risks during the report writing process.
- Creating industry awareness and support for members and their employees.
- Individual and personal acknowledgment within the ATA organization.
- Access to in-house mediation/dispute resolution support.
- The ATA Board supports members.
- Peak body representation with Federal and State Governments, industry and other professional group organizations and consumer groups.
- Your corporate logo and links on the Association's website;
- Access to the Association's membership database;
- Subscription to ATA publications, Property Protect, providing up to date developments in your industry.
- Listing on the searchable database located at ATA's website;
- Representation at State and National levels in regard to input for Standards and Codes.

## **Our Ethics**

Membership may not automatically be granted to applicants, as they are required to meet certain criteria.

Membership applications are processed by the Head Office for their consideration.

A critical requirement of being a member of ATA is that members have in place adequate Professional Indemnity and Public Liability Insurances, and a minimum of 2 years in their industry

Maintaining ethical and professional management standards ATA has the right to remove from our membership any individual or company which by its actions brings discredit to the Association and/or the Industry, or which contravenes our Code of Ethics.
